# Student Enrollment Guidelines

## Registration Checklist

The registration checklist will help students complete all the steps to enrolling at Black Hawk College. Go to [www.bhc.edu/checklist](http://www.bhc.edu/checklist).

## Student ID

Black Hawk College does not have a student ID card at this time.

## myBHC

MyBHC, the student portal, is a secure site that allows students to check email, register for courses, get college and personal announcements, and take care of many aspects of college business. MyBHC is the way important college information is provided. Log in and check it often!

By logging in to myBHC, students will be able to:

- View overall schedule of courses.
- Register and pay for classes (add or drop classes, check registration status, view class schedule, view account balance, and make credit card payments).
- Access information about courses.
- View student records (academic holds, past grades, unofficial academic transcript).
- View student ID number.
- View financial aid information (eligibility and financial aid award information).
- Receive college and personal announcements about events, dates and activities.
- Send/receive email from their BHC email address.

To locate myBHC, go to the Black Hawk College website ([www.bhc.edu](http://www.bhc.edu)) and click on the link to myBHC, or go to [mybhc.bhc.edu](http://mybhc.bhc.edu). Students will need their username and password to access the system and will receive this information after completion and processing of their Application for Admission. Students who have trouble logging in to myBHC can use the online help, "Having problems logging in? Click here" or call the ITS Help Desk at 309-796-5555.

## Student Email

All students are assigned an email account at [student.bhc.edu](mailto:student.bhc.edu). All communication from various departments at the college will be sent to this email account (bills, grades, financial aid, commencement information, etc.) The email account is accessed through myBHC. Students should check their [student.bhc.edu](mailto:student.bhc.edu) mailbox frequently for important information about classes and the college.

## Advisement Services

Educational advisors help students develop a program of study based on needs, abilities and interests. Students who have earned less than 15 credit hours (Quad-Cities Campus students only) are required to meet with an educational advisor before registering. The student and advisor will cooperatively develop a plan for graduation and review each semester. Degree audits are available and educational plans can be created and saved utilizing the degree audit found in myBHC. Students will be introduced to the degree audit tool during their first individual meeting with an advisor. If goals change, students are encouraged to complete a Change of Program form and meet with an educational advisor to develop a new educational plan. Educational advisors are available year-round to assist currently enrolled or potential students.

## Faculty Advising

Advisors and faculty members are partners interested in student success at Black Hawk College. Faculty are in a key position to explore advising issues with students including program requirements, degree and transfer options, and the development of educational plans. Some Black Hawk College programs require students to meet with a faculty advisor prior to registration.

## **Degree Planning**

Degree Planning Worksheets are available in the Advising Center to help students prepare for graduation from Black Hawk College. Degree Planning Worksheets also are available on the college's website. Go to [www.bhc.edu/transfer](http://www.bhc.edu/transfer) and select the degree. Students should go over this sheet with their educational advisors and use it for a personal record of all courses completed. This check sheet should be updated each semester so that students will be fully aware of their progress toward graduation.

## **Degree Programs, Training and Other Education Offered**

Information regarding classes and programs is available in the Advising Center at the Quad-Cities Campus, the Advising Center at East Campus and online at:

- Credit degree and certification programs – <https://www.bhc.edu/academics/career-programs/>
- Non-credit and continuing education programs – [www.bhc.edu/pace](http://www.bhc.edu/pace)

## **Credit Hours**

Courses taken in college are measured in terms of credit hours. Laboratory classes will require more class time per credit hour. Typical college classes are three credit hours, but some BHC classes can be one to eight credit hours.

## **Registration Process**

Students are encouraged to work with their Black Hawk College advisor to develop an individual educational plan and to plan a class schedule for the semester. Students can register for classes using online registration. Walk-in, mail or scanned registration form sent via email is also available to [registrar@bhc.edu](mailto:registrar@bhc.edu).

2. Log in to myBHC.
3. Click on the Student tab. Within this tab students can access degree audit and register for courses.

5. Click on Add/Drop Classes. Students may need to scroll over to see the status of their registration.
6. Click on Submit Changes.
7. Click on Student Detail Schedule to review and print schedule.
8. Scroll to the bottom of the screen and click on View Fee Assessment.
9. When finished, be sure to click Exit.

## **Student Registration Form**

A paper form is available for students when they do not register online. If the student uses the Black Hawk College Student Registration Form paper version, it must be returned to Enrollment Services on the Quad-Cities Campus or the East Campus. On the Quad-Cities Campus, forms are available in Enrollment Services, the Advising Center and the Academic Service Centers. On the East Campus, forms are available in Enrollment Services and the Advising Center.

## **Adding a Class**

Courses may be added using myBHC online registration during regular registration periods. Students who wish to add a class after the 100% refund period must complete the Black Hawk College Student Registration Form paper version. This form requires an advisor's signature. After the 100% refund period, additional signatures are required as outlined below.

- To add a class after the 100% refund period but before the 10th day of the class, the student will need to complete the Student Registration Form and obtain an instructor's signature of approval to add the class.
- In order to add a class after 10th day (or the equivalent of 10th day for classes meeting less than 16 weeks), the student will need to complete the Student Registration Form and obtain signature approval from both an administrator AND faculty.

## **Dropping a Class**

Once a student has registered for a class, **the student must drop the course officially in order to be removed from the class.** The student is financially responsible for tuition and fees for all classes not officially dropped by the appropriate refund date.

A student may withdraw from a course through the 12th week of the fall or spring semester. To withdraw from a course after this date, the student will need to obtain the instructor's signature and/or approval. For classes that meet less than 16 weeks, the student should contact Enrollment Services at either campus regarding the need for instructor signatures.

To withdraw from a class, students may either complete the Black Hawk College Student Registration Form, email [registrar@bhc.edu](mailto:registrar@bhc.edu) from their Black Hawk College email account or send a letter to the Registrar. The Schedule of Classes will indicate the last date that classes may be dropped. Withdrawals initiated by mail must be postmarked by the published deadline date. The request should state the student's name, ID number and course information.

### **Things to Consider When Dropping a Course**

Before dropping a course, the student should consider the impact dropping the course has on financial aid, grades or educational goals. The following items should also be considered before dropping a course:

1. **Refund policy** – Course withdrawal prior to the start date of the semester and through week 1 is entitled to a 100% refund. Withdrawals during the second week of classes are eligible for a 50% refund. No refunds are given after the second week of class. Contact Enrollment Services for questions about courses less than 16 weeks long. An up-to-date refund policy may be found at [www.bhc.edu/refund](http://www.bhc.edu/refund).
2. **Financial aid** – If a student completely withdraws during the semester after federal financial aid payment has been received, the student may be required to return a portion of the federal financial aid awarded. The federal formula requires a return of funds if the student received assistance from the Pell Grant, Supplemental grant or direct loan and withdrew on or before completing 60% of the semester. The calculation is based on the percentage of the semester completed. Sample calculations and complete explanation of this policy are available at the Financial Aid Office.
3. **Impact on grades** – If a student does *not* officially withdraw from a course, the student may receive an F for the course.
4. **Transcript notation** – After the 100% refund period of the course, any dropped course will show up on the student's permanent academic record and will be recorded as a W (withdrawal).

## **Withdrawing from College**

If a student has registered for classes and decides *not* to attend Black Hawk College, he/she **must withdraw officially**. The student should complete a Add/Drop Form or send a letter with the student's name, ID number and course information. The Student Registration Form, letter or email must be returned to Enrollment Services at either campus. For withdrawal via email, students should use their myBHC email and send withdrawal notice to [registrar@bhc.edu](mailto:registrar@bhc.edu).

### **Tuition Refund Appeal from Students**

Students may appeal for refund of tuition and course fees after withdrawing from one or more courses. The Refund Appeal Form can be found [here](#). Once completed, it can be emailed to [bursar@bhc.edu](mailto:bursar@bhc.edu) or dropped off at the Bursar's Office on the Quad-Cities Campus or Enrollment Services at the East Campus. Refund appeals must be submitted prior to the end date of term in which courses were dropped. A cross-departmental committee reviews the refund appeals and makes decisions within 45 days of refund appeal submission. The only acceptable reasons for a refund are as follows:

- Death of the student, parent, child or dependent, sibling or spouse during the current semester.
- Illness/injury of student or dependent of such severity or duration as to preclude successful completion of course(s) this semester – Must attach the medical certification.
- Involuntary call to military duty – Must attach a copy of orders to active duty/mobilization.

### **Medical Withdrawal**

To be eligible for a medical withdrawal, a student must withdraw from all classes in the term and not simply a reduced load. The physician statement, along with a signed Add/Drop Form, must be submitted in a timely fashion, no later than the beginning of final exam week for the term enrolled. The Medical Withdrawal Form can be found at [www.bhc.edu/download/medical-drop-form-revised-8-2015](http://www.bhc.edu/download/medical-drop-form-revised-8-2015).

## Paying for College

### Cost to Attend

Information regarding cost of attending is available in the Financial Aid Office and at [www.bhc.edu/payingforcollege](http://www.bhc.edu/payingforcollege).

Specific information regarding tuition rate per credit hour, payment options, payment policies and payment deadlines can be found on [www.bhc.edu/tuition](http://www.bhc.edu/tuition) as well as on the Student Billing tab in myBHC. The most current contact information for the Bursar's Office locations are listed on both the website and the Student Billing tab in myBHC.

### Scholarship Information

Scholarships may be from an industry, service group, professional organization, foundation, church, state government or academic department. A student can search for scholarships then follow the donor's application guidelines and deadlines. Each donor sets their requirements of what they're looking for in a scholarship recipient.

All students are encouraged to apply for scholarships from the Black Hawk College Foundations. Applications are accepted online March 15 through May 15 and can be found at [www.blackhawkcollegefoundation.org](http://www.blackhawkcollegefoundation.org) and [www.bhceastfoundation.org](http://www.bhceastfoundation.org). For more information, contact the Quad-Cities Foundation at 309-796-5061 or the East Foundation at 309-854-1718.

For private scholarships, contact the Financial Aid Office at 309-796-5400 or 309-854-1708 or [www.bhc.edu/scholarships](http://www.bhc.edu/scholarships).

### Veterans Grants

Veterans and their families should talk with the Veterans Resource Center about possible educational benefits. Benefits are available through the Department of Veterans Affairs and the Illinois Student Assistance Commission (ISAC) and will be processed through the Financial Aid Office. Black Hawk College is committed to providing veterans with a successful educational experience. Visit [www.bhc.edu/veterans](http://www.bhc.edu/veterans) for additional information.

### Loans

Loans must be repaid. Students should only borrow what is necessary and should evaluate their total cost of degree completion against their future earnings potential and ability to repay. Additional information and frequently asked questions are available at [www.bhc.edu/loans](http://www.bhc.edu/loans).

To apply for Federal Direct Student Loans, students must be enrolled in at least six credit hours per semester in an eligible degree program, complete the Free Application for Federal Student Aid (FAFSA), and complete the Black Hawk College Loan application requirements available at [www.bhc.edu/loans](http://www.bhc.edu/loans).

Federal Direct Parent Loans for Undergraduate Students (Parent PLUS Loans) are credit-based loans available to assist parents with the educational expenses of an undergraduate student enrolled in at least six credit hours per semester in an eligible degree program.

## Financial Aid Office

The Financial Aid Office ([www.bhc.edu/financialaid](http://www.bhc.edu/financialaid)) assists students and parents in applying for federal, state and institutional funds to help meet educational costs. More than half of Black Hawk College students receive some financial assistance from grants, scholarships, loans and student employment. Most of the funding is based on the family's financial information. The Free Application for Federal Student Aid (FAFSA) ([www.fafsa.gov](http://www.fafsa.gov)) is used to determine eligibility. If needed, computers are available at both campuses for students to complete their FAFSA.

To be considered for financial aid, a student must have earned a high school diploma or equivalent, be enrolled in an eligible program leading to a degree or certificate at Black Hawk College, and not be scheduled to receive federal or state financial aid from another institution.

### **Citizenship**

To be eligible for financial aid a student must be a U.S. citizen, U.S. national, citizen of a freely associated state, or other eligible noncitizen. If a student's status is not confirmed by the Social Security Administration (SSA) or Department of Homeland Security (DHS), additional documentation will be required.

### **Drug Convictions and Federal Student Aid**

In accordance with the Anti-Drug Abuse Act of 1988, some federal or state drug convictions may deny student aid benefits to individuals who have received such a judgement.

### **Enrollment**

Financial aid awards will be based on 10th day enrollment. Students who plan to change their course schedule after enrollment has begun should contact the Financial Aid Office first to determine how eligibility may be impacted.

### **Federal Pell Grant Lifetime Eligibility**

The Consolidated Appropriations Act, 2012 (Public Law 112-74) limits the use of the Federal Pell Grant to the equivalent of 12 full-time semesters (or 600%) throughout a person's lifetime. Additional information is available at <https://studentaid.gov/understand-aid/types/grants/pell/calculate-eligibility>.

### **Fraud Policy**

If Black Hawk College's Financial Aid Office suspects that a student, employee or other individual has misreported information or altered documentation to fraudulently obtain federal funds, we will report our suspicions and provide any evidence to:

### **Return of Aid**

Aid is awarded to students under the assumption that the student will attend classes for the entire period for which the aid was given. Students “earn” the aid by attending and participating in classes.

For students who do not begin enrollment or participation in a course, enrollment hours will be adjusted, and funds will be returned to federal and state aid programs. The student will be billed.

For students who withdraw from all courses during the term, eligibility will be recalculated to determine how much aid was earned based on term attendance. Unearned aid will be returned to federal and state aid programs. The student will be billed.

Additional details are available at [www.bhc.edu/financial-aid-policies](http://www.bhc.edu/financial-aid-policies).

### **Repeated Coursework**

Upon successful completion of a class (with a D or better), students may retake the course once with financial aid. Passing grades include A, B, C, D or P. Failing grades include F, I, X and W.

This policy does not limit a student’s ability to retake a course without financial aid.

### **Satisfactory Academic Progress (SAP)**

Students receiving federal and state financial aid must maintain satisfactory academic progress towards earning their degree or certificate. Students must:

1. Successfully complete 67% of the hours attempted.
2. Earn and maintain a 2.0 cumulative grade point average (GPA).
3. Complete program requirements before attempting 150% of required credit hours.

If the required completion rate or the cumulative grade point average are not met, students will be placed on financial aid warning for one semester. Financial aid can be received while on warning. Students who do not meet the academic progress requirements during their warning semester will be placed on financial aid dismissal and will not be eligible for financial aid.

Students who exceed 125% of required credit hours will be alerted of their limited remaining time frame. Students who exceed 150% of required credit hours will be placed on financial aid dismissal and will not be eligible for financial aid.

Additional information is available at [www.bhc.edu/academic-progress](http://www.bhc.edu/academic-progress).

### **Verification Policies and Procedures**

Verification is the process of checking the accuracy of the information a student provides when submitting their FAFSA. Applicants selected for verification are notified of any requirements at their myBHC email and requirements are posted to myBHC under *Student > Financial Aid > Requirements Needed*.

If a student’s file is selected for verification, the student is not eligible for financial aid until all required documents are received, reviewed, and processed.

## Student Academic Privileges

### Academic Forgiveness Policy

Academic forgiveness is a policy designed for a student with a history of poor grades who has been away from Black Hawk College for at least four years since the end of the semester for which academic forgiveness is being requested.

This request is limited to two consecutive semesters and is only allowed one time throughout the student's academic career at Black Hawk College. The student must be currently enrolled and must have accumulated 12 credit hours with a 2.5 GPA or higher to apply for academic forgiveness.

Forgiven grades will remain on the student's official record but will not be included in the institutional GPA. It should be noted that these grades will continue to be calculated for financial aid status. The student should check with any transfer institution regarding how the receiving institution will calculate the forgiven grades.

For more detailed information regarding the Academic Forgiveness Policy, contact Enrollment Services.

### Academic Progress Policy

To maintain continuing enrollment at the College, a student will be subject to this policy once he/she has attempted 12 credit hours at Black Hawk College.

A student will be placed on academic warning if his/her BHC cumulative grade point average (all work completed at Black Hawk College) falls below 2.0 GPA.

Academic warning means that the student is being warned of failure to make sufficient academic progress as defined by this policy. The student may continue to enroll while on academic warning, but will need to meet with an advisor to create a plan for success. After being placed on academic warning, the student must bring the overall cumulative GPA to 2.0 or higher. If the student's cumulative GPA does not reach 2.0 the following semester, the student will be placed on academic probation. The student will be required to continue to meet with an advisor before enrolling while on academic probation.

When on academic probation, the student must earn a term GPA of 2.0 or above each semester. If the student's term GPA falls below 2.0, the student will be placed on academic suspension. Academic suspension means a student will not be allowed to re-enroll at Black Hawk College for at least one full semester (fall or spring). After not attending for a full semester, the student may be readmitted on a probationary status and must maintain a term GPA of 2.0 or higher until his or her cumulative GPA reaches 2.0 or above. If a student is suspended a second time, the student may not return for one full year.

Students may appeal a Black Hawk College academic suspension by submitting a written appeal to the Registrar explaining circumstances and plans for ensuring academic success. Details on the appeal process will be sent via email to the student's BHC email account, after they are placed on academic suspension. An Academic Appeals Committee will consider student requests and make final decisions.

For detailed information, see Enrollment Services. To access the Academic Suspension Appeal Form, go to [www.bhc.edu/enrollmentforms](http://www.bhc.edu/enrollmentforms).

### Attendance

Regular class attendance and participation is an essential component of academic success. Regular classroom attendance is required for students to be able to participate fully in discussion and laboratory sessions and to seek clarification concerning newly presented materials. Regular participation and engagement with course materials, assignments, online discussion boards and course meetings, if applicable, constitutes attendance in an online environment.

The attendance policy of each instructor is included in the course syllabus distributed by the instructor on the first day of class. Students are required to comply with each Instructor's attendance policy. An instructor's attendance

policy may go into effect with the first class meeting of the course. Makeup work or work submitted late due to absence (including an instructor's decision to award less than full credit for work submitted late) will be handled at the discretion of the instructor in accordance with the course syllabus.

Excessive absences may prevent a student from successfully completing a course. Students should seek advice from the instructor or advisor to determine if withdrawal from the course is recommended. It is the responsibility of the student to officially withdraw from the course. Students who must be absent due to prolonged illness or extended emergency should notify their instructor(s) immediately to determine a plan of action appropriate to the situation.

### **Developmental Education**

Developmental education courses build academic skills in writing, reading and math and may be required for one or more areas. Black Hawk College faculty have identified prerequisite skills needed for college-credit courses. Students must take the developmental education course if their placement test scores or previous academic experience indicates such course placement. Placements are mandatory for developmental writing, reading and math courses.

It is to the student's advantage to complete developmental education courses within the first year of college. Students who test into one or more developmental courses must meet with an educational advisor to develop their course schedules.

Developmental education courses are eligible for financial aid and can be used as credits to reach full-time student status; however, credits earned through developmental education coursework do not count toward graduation or transfer to other colleges and universities,

### **Calculating the GPA**

The cumulative grade point average is the numerical average that indicates how well a student has done in college-level classes. At Black Hawk College, the cumulative GPA is based upon a four-point scale ranging from 0 to 4. It is calculated by dividing the total number of grade points earned by the number of credit hours the student has completed in one semester. A cumulative grade point average includes all college-level courses a student has attempted.

**\*Note:** Developmental courses (courses numbered below 100) are not included in the cumulative GPA.

### **Grades and the Grading System**

Students may access their grades online using [myBHC](#).

#### **Grading System:**

<b>Letter Grades</b>	<b>Grade Point Value</b>
A – Excellent	4
B – Good	3
C – Average	2
D – Poor	1
F – Failure	0

**P** – The P grade represents passing with full credit. P is an optional grade that can be used if a faculty member chooses to do so. Credit is granted for a P but has no effect on the grade point average.

**X** – The X grade represents no grade judgment.

**I** – Incomplete. The grade I indicates work was not completed because of reasons considered appropriate by the faculty. Work must be completed within the time limit established by the instructor from one day to one semester. Students must request an incomplete grade and discuss it with the faculty member teaching the course.

**W** – Withdraw. If a student withdraws after the drop/add period of the class, the grade W will appear on the student’s transcripts. The W grade does not affect the grade point average but does factor into financial aid eligibility.

**T** – Transfer credits for courses, military experience, CLEP tests and Advanced Placement tests. Students must have an official transcript sent to the college.

### **Incomplete**

To request an incomplete (I) grade in a course, the student must, in writing, arrange with the course faculty member to fulfill the appropriate course requirements. An incomplete grade is granted in cases where a student has not completed the required work by the end of the semester because of illness, accident, death or serious illness in the immediate family, or a reason that is considered appropriate by the instructor.

The faculty member is solely responsible for determining whether or not the incomplete grade is justified, and for making an evaluation of the work by the student who has been given an incomplete grade. If the faculty member determines that the incomplete grade is justified, he/she and the student shall establish the requirements for completing the incomplete within a maximum time period of one year beyond the semester end date. The student must, in writing, arrange with the course instructor to fulfill the appropriate course requirements.

If after one year, the course requirements remain unsatisfied, the I grade will automatically change to an F or an X grade, depending upon the grading system used by the course in question. After the required work has been completed, the faculty member will complete a paper Grade Change Form used to update the student’s grade and turn the form into Enrollment Services to update the student’s official record.

### **Mid-semester Grades**

Faculty members are encouraged to keep students informed as to their progress in the course. Mid-semester grades are *not* reported or recorded on a student’s transcript.

### **Repeat Enrollment**

If a student fails the same class twice, the student will be required to meet with an Educational Advisor prior to being allowed to reregister for subsequent attempts. The student will be required to follow all recommendations of the Educational Advisor as a requirement for continued enrollment. This could include meeting with the counseling center, student success center, tutoring office, or other measures. Should the student fail to meet the conditions set, the student may be removed from the class without a refund of tuition. Should the student timely seek to be removed from the class pursuant to the College’s withdrawal policy, the student shall be entitled to a tuition refund if approved by the College.

It is the student's responsibility to self-identify to Disability Resources & Access staff and provide current documentation of disability. Persons with disabilities are encouraged to complete this first step as early as possible before the start of the semester.

Service animals are defined by the ADA as any guide or signal dog specifically trained to work or perform tasks for a person with a disability, and the work is directly related to the individual's disability. ## **Laws & College Procedures**

### **Abused and Neglected Child Reporting Act (DCFS)**

Under the Abused and Neglected Child Reporting Act (325 ILCS 5/4), all Black Hawk College employees are designated by the State of Illinois as mandated reporters. Therefore, all employees are required to report child abuse

or neglect to the 24-hour Child Abuse Hotline (800-25-ABUSE). For more information, contact the BHC Police Department at 309-796-5913.

### **Affirmative Action Plan**

The Board of Trustees will maintain an operative equal opportunity/affirmative action plan which has stated goals and objectives for remedying under-representation of protected class individuals and increasing cultural diversity of the college workforce and student community as well as stated policies against sexual and other forms of harassment.

### **Campus Safety and Security Reporting**

In 1990, Congress enacted the Crime Awareness and Campus Security Act of 1990 (Title II of Public Law 101-542), which amended the Higher Education Act of 1965 (HEA). This act required all postsecondary institutions participating in HEA's Title IV student financial assistance programs to disclose campus crime statistics and security information. The act was amended in 1992, 1998 and 2000. The 1998 amendments renamed the law the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Campus crime statistics for Black Hawk College may be found at [www.bhc.edu/police](http://www.bhc.edu/police).

On Aug. 14, 2008, the Higher Education Opportunity Act or HEOA (Public Law 110-315) reauthorized and expanded the Higher Education Act of 1965. For more information, contact the BHC Police Department at 309-796-5913.

### **Children in Class**

The faculty member has responsibility for control of the classroom and should take steps to ensure an orderly environment in which learning may occur unimpeded. The presence of children in the classroom does impede learning; therefore, children should only rarely be allowed to accompany students to class and then only at the discretion of the faculty member involved.

### **Chronic Communicable Disease Policy**

Students or employees with a chronic communicable disease may attend or be employed at the college whenever, through reasonable accommodation, they do not constitute a direct risk to the health or safety of themselves or other individuals.

Academic placement decisions will be made by the Vice President for Student Services using this standard in conjunction with current, available public health department guidelines concerning the particular disease in question. Students who are concerned about being infected with a chronic disease by a fellow student or employee should convey this concern to the Vice President for Student Services.

Black Hawk College shall respect the right to privacy of any student or employee who has a chronic communicable disease. Individual cases involving either a student or employee will not be prejudged. Rather, decisions will be made upon the facts of the particular case. The individual's medical condition shall be disclosed only to the extent necessary to avoid a health and safety risk to the student and/or employee, their own health, or that of other students and/or employees.

*Persons deemed to have "a direct need to know" will be provided, subject to applicable laws, with the appropriate information. However, these persons may not further disclose such information.*

### **Classroom Behavior (in-person and online)**

Willful failure to comply with a reasonable directive of the classroom instructor, other intentional conduct that has the effect of disrupting college classroom instruction or interfering with the instructor's ability to manage the classroom constitutes disruptive conduct. When disruptive activity occurs, a college instructor has the authority to determine classroom seating patterns or require that a student exit the classroom, laboratory or other area used for instruction immediately for the remainder of the period. Instructors who impose a one-day suspension must report the incident to the appropriate supervisor and the Vice President for Student Services.

The Student Code of Conduct ensures that all students are aware of their rights and responsibilities as a Black Hawk College student. The Student Code of Conduct applies to all students enrolled at the College, regardless of the modality of instruction. Online students are expected to maintain decorum in the online classroom environment. These expectations extend to discussion boards, e-mail correspondence, chat-rooms, proctored exams, video-conferencing, or other methods of communication that might be used in an online class. Communication and behaviors that are deemed inappropriate to an educational setting will be addressed and adjudicated in the same manner face to face classes are managed. Any student engaging in such conduct shall be subject to disciplinary sanctions pursuant to the Student Code of Conduct.

Repeated classroom disruption or actions that threaten or have the potential to harm another student may be grounds for immediate dismissal from the classroom, laboratory or other area used for instruction, and may result in failure of the course.

### **Clery Act (Jeanne Clery) Disclosure of Campus Security Police and Campus Crime Statistics Act**

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092(f)) is the landmark federal law that requires colleges and universities across the United States to disclose information about crime on and around their campuses. Clery Timely Warning Notices are specifically related to compliance with the federal Clery Act, which requires colleges and universities to notify students and employees whenever there is a threat that a serious crime is ongoing or may be repeated so that campus community members can protect themselves from harm. For more information, go to [www2.ed.gov/admins/lead/safety/handbook.pdf](http://www2.ed.gov/admins/lead/safety/handbook.pdf).

### **Student Complaint Procedure**

Black Hawk College continually strives to provide excellent service. The Student Complaint Procedure provides a means for individual students to resolve specific concerns in an expeditious and fair manner and is intended to help all students learn constructive approaches to problem and conflict resolution.

A complaint is defined as a statement describing dissatisfaction when written college policies or procedures are allegedly violated or inequitably applied. After submitting a complaint through the Student Complaint Procedure, a student may be directed to follow a specific process outlined in other College policies (i.e. for academic complaints, complaints regarding misconduct, discrimination, harassment, retaliation, sexual misconduct or violence). Students who need help in understanding the applicable procedure for their complaint may contact a Dean, the Vice President for Student Services, or the Title IX Coordinator. If the complaint is a criminal matter, the student is strongly encouraged to contact the BHC Police Department.

Nothing in the policy or procedures shall abridge the rights of faculty, staff, administrators and students to the provisions of due process or just cause, to the extent required by law.

To file a complaint under the Student Complaint Procedure, students may contact the Vice President for Student Services at the Quad-Cities Campus at 309-796-5041 or the East Campus office at 309-854-1723.

In order to comply with federal regulations and the Higher Learning Commission (HLC), the College will maintain records of the formal, written student complaints filed with the offices of the President or Vice President for Student Services (or an appointed representative). The records will include information about the disposition of the complaints, including those referred to external agencies for final resolution. These records will be maintained in the office of the Vice President for Student Services.

**The following chart illustrates the various complaint processes that may be utilized based on the circumstances presented:**

The Department of Human Resources oversees complaints and investigates alleged discriminatory practices.

Any employee or student of the College who engages in any action or conduct constituting discrimination or harassment will be subject to appropriate disciplinary actions up to and including termination of employment.

## **Religious Observances**

The University Religious Observances Act (110 ILCS 110) prohibits public institutions of higher education from discriminating against students for observing religious holidays in regard to admissions, class attendance, scheduling of examinations and work. In order to obtain a reasonable accommodation, students must notify their instructor well in advance of any absence for religious reasons. Absence from classes or examinations for religious observance does not relieve students from responsibility for any part of the course work required during the period of absence. A student who is unable, because of his or her religious beliefs, to attend classes or to participate in any examination, study or work requirement on a particular day shall be excused from any such examination, study or work requirement and shall be provided an opportunity to make up the examination, study or work requirement that he/she may have missed because of such absence on a particular day so long as the student notifies the faculty member or instructor well in advance of any anticipated absence. The makeup examination, study or work requested as an accommodation by the student may not impose or create an unreasonable burden on the College.

No fees of any kind shall be charged by the institution for making available to the student such a makeup opportunity. No adverse or prejudicial effects shall result to any student because of his or her availing himself or herself of this requested accommodation. Students who believe that they may not have been reasonably accommodated should contact the instructor of the class or the department chair. If the issue is not resolved at the department level, students may seek redress through the Academic Complaint Procedure.

## **Student Code of Conduct and Disciplinary Procedures**

The Student Code of Conduct has been established to maintain order on campus and to guarantee the broadest range of freedom for all who come to learn at Black Hawk College. All students are required to conduct themselves in accordance with the regulations of the College and such laws of the city, state, and federal governments. Out-of-state online students are governed by the same procedures. The actions of students or visitors on campus or college-sponsored events must not violate the rights of others or disrupt the normal processes of the institution.

Each student is responsible for knowledge of and compliance with this Code of Student Conduct, which is available in the Student Handbook at [www.bhc.edu/catalog](http://www.bhc.edu/catalog).

The college further recognizes each student's right to procedural due process including notice, an opportunity to respond to the allegations, and an appeal process. Any student cited for violation of the Student Code of Conduct will:

1. Receive notice of the alleged violation(s), including:
  - a. The specific code violation(s); and
  - b. Reference to the process and rights of students as indicated in the Student Code of Conduct;
2. Be provided an opportunity to respond to the charges;
3. Be able to appeal the decision, if necessary;
4. Not be permitted to withdraw from the College with a clear record until such charges have been resolved.

## **Scope and Jurisdiction**

The Code of Conduct covers acts of all students and/or student guests occurring on campus, as well as on property owned, leased, or controlled by the College. The Code of Conduct also covers conduct and behavior occurring off campus, including, but not limited to, online behavior, which affects a clear and distinct interest of the College. Interests of the College are affected if the behavior negatively impacts the achievement of the College's academic goals, the safety and freedom of individuals, or the orderly operation of the College. The following are examples of situations that could affect a clear and distinct interest of the College: (1) conduct occurring at a college-sponsored activity, sporting event, or educational activity (e.g., residency, internship, service-learning experience, field trip) or at a student organization-sponsored activity; (2) conduct occurring while the accused or complainant was acting in an official capacity for the College; (3) conduct which constitutes a violation of federal, state, or local law or ordinance; (4) conduct which violates a College rule or policy; and (5) conduct which demonstrates a threat to campus safety and security. Please note that the aforementioned list is not exhaustive and does not include all conduct prohibited herein. Violations of this Policy involving violent conduct, alcohol, or drugs are presumed to affect a clear and distinct interest of the College.

The Student Code of Conduct applies whether or not the College is in session. The Code of Conduct is applicable to a student from the time of application for admission through the actual awarding of a degree, even though the conduct which violates the policy may not be discovered until after a degree is awarded. Withdrawal of an accused student while a disciplinary matter is pending shall not defeat jurisdiction under this section. In the event that an individual named in a complaint has satisfied the academic requirements for a certificate or associate degree, the individual may not receive his or her degree until the complaint is resolved.

In addition, conduct which violates the Code of Conduct and is engaged in prior to admission or after withdrawal from the College may be taken into account in decisions on admission or readmission, and may also be grounds for filing disciplinary charges after admission or acceptance into a program.

In those cases where a complaint for misconduct in violation of the Code of Conduct is filed against an individual not currently registered as a student, the complaint may proceed to adjudication or the Vice President for Student Services may elect to restrict the individual's registration and resolve the complaint later when the individual seeks to re-enroll.

Proceedings under the Student Code of Conduct may be initiated against students charged with a potential violation of a federal, state, or local law or ordinance. Proceedings under the Code of Conduct may be carried out prior to, simultaneously with or following civil or criminal proceedings. Decisions about the timing of college proceedings will be within the sole discretion of the Vice President for Student Services.

Students with questions regarding the Student Code of Conduct should contact the Vice President for Student Services or send an email to [studentconduct@bhc.edu](mailto:studentconduct@bhc.edu).

In some situations, the Vice President for Student Services may remove an alleged perpetrator from a classroom if circumstances warrant such action. Based on the severity of the allegation, the alleged perpetrator may also be temporarily suspended from the College pending the outcome of the investigation. The Vice President for Student Services may, in his/her discretion, refer any listed disciplinary matter to the Student Conduct Committee.
- C. Confidential files should be maintained by the Vice President for Student Services for the purpose of recording actions taken.

#### **Student Code of Conduct Charges Procedures**

- A. **Filing of Charges or Claims of Violation of Student Code of Conduct**  
Any member of the College community may file charges against any student for misconduct. Charges will be prepared in writing and directed to the VP/SS. Charges should be submitted as soon as possible after the event giving rise to the charge takes place or becomes known. The VP/SS

will review and determine if the charge warrants an investigation. If the charge does not allege a violation or is otherwise not found to warrant an investigation, the VP/SS will dismiss the charge and notify the parties involved.

**B. Notice of Charges to Student**

Any student against whom charges of misconduct have been filed shall be notified of the accusation of violation of the Student Code of Conduct as provided in this Policy. This may include notice as provided by a faculty member. In the event the student wishes to submit a written response to the charges, he/she may do so within five (5) business days from receipt of the Notice of Charges. In the event the student does not contest the conduct at issue, the VP/SS reserves the right to resolve the matter as appropriate and impose sanctions, except that if suspension or expulsion is sought, the matter shall be referred to the Student Conduct Committee for hearing.

For all notices, except those for academic dishonesty not involving suspension or expulsion, the Notice of Charges shall include or state the following:

1. A copy of the Student Code of Conduct;
2. Specific factual allegations of misconduct and reference to any specific rules which the facts, as alleged, violate;
3. The student is being offered an opportunity to meet with the VP/SS to discuss the complaint, procedures and options for resolution of the charges;
4. The student has the option to engage in the Informal Resolution Procedure or may request a hearing before the Student Conduct Committee;
5. The student has a right to have an advisor accompany him/her during the disciplinary process and that individual may serve in an advisory role only.

**C. Investigation**

If the VP/SS determines the charges warrant an investigation, he/she will conduct an investigation. During the investigation, the accused student shall be given an opportunity to respond to the charges and provide any documentation or information the student deems relevant to adjudication of the complaint. Following the investigation, the VP/SS shall make a determination of whether there are sufficient facts to support a finding that a violation of the Student Code of Conduct occurred. The VP/SS shall commence a hearing before the Student Conduct Committee if the VP/SS determines the sanctions may include a suspension or expulsion or the VP/SS otherwise determines a hearing is warranted.

**D. Informal Resolution Process**

The VP/SS may direct that the student engage in the Informal Resolution Process any time prior to hearing. The student may also request to engage in the Informal Resolution Process. During the Informal Resolution Process, the VP/SS shall meet with the student to review the violations or charges and the student will be given an opportunity to respond to the same and provide any information the student deems relevant to adjudication of the charge(s). If the investigation was concluded prior to the Informal Resolution Process, meetings between the VP/SS and the student from the investigation may constitute the necessary meeting(s) for this purpose under the Informal Resolution procedure.

In the event the VP/SS determines there are sufficient facts to support a finding that a violation of the Student Code of Conduct occurred, the VP/SS shall determine whether the matter may be resolved without a hearing by mutual consent of the parties involved on a basis acceptable to the VP/SS. During the Informal Resolution Process, the VP/SS may recommend disciplinary action for the conduct at issue or convene the Student Conduct Committee. If the student agrees to the recommendation of the VP/SS and/or waives his/her right to a hearing, the student shall receive the imposed sanction and the matter shall be deemed closed. A student may not later appeal a decision that was mutually agreed to during the Informal Resolution Process.

The hearing procedures before the Student Conduct Committee shall commence if the charges cannot be mutually resolved through the Informal Resolution Process and may result in a suspension or expulsion.

**E. VP/SS Authority to Impose Discipline Without a Hearing.**

At the conclusion of the investigation or after engaging in the Informal Resolution Process, the VP/SS has the authority to impose discipline for violations of the Student Code of Conduct found to have occurred. In the event the VP/SS recommends suspension or expulsion, the VP/SS shall commence a hearing before the Student Conduct Committee. In the event the VP/SS recommends sanctions less severe than suspension or expulsion, the VP/SS may impose such sanctions against the student without a hearing. Such disciplinary sanctions are subject to the same appeal rights outlined below.

**F. Student Conduct Committee Hearing**

The Student Conduct Committee shall consist of one (1) faculty member, one (1) student services staff member and one (1) administrator. The administrator shall serve as chair of the Committee (“SDC Chair”).

The reporting party and respondent are responsible for presenting their own case at their own expense. Advisors accompanying any party must serve in an advisory role. The SDC Chair shall be responsible for coordinating and establishing the rules which shall apply for the hearing. The student shall receive notice of the rules applied to the hearing. The hearing will be recorded utilizing an audio or video camera and may be used in the event of an appeal to the President of the College.

**G. Imposition of Discipline and Decision After Hearing**

If a hearing is conducted with the Student Conduct Committee and the Committee determines that a violation of the Student Code of Conduct occurred, the Committee shall submit a report stating its findings and the violations that occurred. The Vice President for Student Services shall review the Committee’s Findings and shall determine the appropriate sanction to be imposed, if any. The student shall then receive the sanction imposed by the Vice President for Student Services. If, after the hearing, the Student Conduct Committee determines no violation of the Code occurred, it shall render a decision stating such and no discipline or sanctions shall be imposed.

**Syllabus**

A course syllabus is summary of the course. It usually contains specific information about the course; information on how to contact the instructor, including the instructor's office location and office hours; an outline of what will be covered in the course, with a schedule of test dates and the due dates for assignments; the grading policy for the course; and specific classroom rules. Each instructor distributes a syllabus at the beginning of the semester.

Official transcripts are sent from college to college or to other third parties in need of grades or enrollment verification.

**Transfer of credits**

Some students attend more than one institution during their college careers and want accumulated credit hours from the former institution to transfer to the new one. To transfer credits, a student must have an official transcript sent to the new institution, which will determine which courses will apply toward graduation requirements.

**Transfer programs**

**Work-study**
